PRACTICE AREAS

Corporate & Commercial Practice

We offer exceptional Corporate & Commercial Legal Practice. Our corporate and commercial lawyers enjoy vast expertise in handling complex commercial and corporate legal matters offering our clients practical legal solutions in a real and competitive business environment.

To our valued corporate and commercial clients we:

- Provide legal advice/opinion in respect to legal and regulatory framework for investing and operating businesses in Uganda and across the East Africa.
- Undertake to seek necessary approvals from relevant authorities as by law required to facilitate establishment and operation of your business in Uganda.
- Facilitate incorporation and operationalization of any business entity of your choice including but not limited to; Banking and Finance business, Insurance business, Manufacturing companies, Charity Organizations, Intellectual Property protection among others.
- Draft and execute all legal documentation in respect to your business entity.
- Undertake applicable legal and regulatory compliances for and on behalf of our clients.

Employment Practice

Our legal practice in employment sector broadly covers:

Preparation of Work Regulations / HR Manual / Staff Handbook:

Drafting and documentation of terms & conditions of service, social benefits, rules and regulations, staff code of ethics, staff disciplinary processes among others.

- Conducting Legal Audit / Due Diligence/ Compliance Review of employment legal framework to identify and highlight discrepancies in the employer's records and advise on remedial measures.
- Advising the management in handling and negotiating with trade unions/ staff association (if any), highlighting laws applicable and regulatory compliance required.
- Advising the management on employer's liability arising from employees' accident fatal or otherwise and ensuring compliance with applicable laws.
- Advising the management on health and occupational legal safeguards coupled with compliance necessary to minimize unnecessary expenses on staff compensation.

Banking and Finance Practice

Our ultimate goal in Banking & Finance is to provide strategic and effective expertise advice and legal support to your business on:

- Loan Finance and Debt Recovery
- Mortgage Management
- Banking and financial regulations
- Asset finance and Securitization
- Debt restructuring
- Project and Trade finance
- Letters of credit
